

19A.06.090 H HISTORIC DESIGNATION**A. Findings**

The City Council of the City of Las Vegas finds and declares that the spirit and direction of the City of Las Vegas are founded upon and reflected in its historical past, and that the historic and cultural foundations of the City should be preserved as a living part of its community life and development in order to give a sense of identity and orientation to the people of the City.

B. Purpose And Intent

The intent of this Subchapter is to promote the public welfare by providing protection for significant properties and archaeological sites which represent important aspects of the City's heritage; to enhance the character of the community by taking such properties and sites into account during development; and to assist owners in the preservation and restoration of their properties. This Subchapter is intended to balance two competing interests: the value to the community of these significant properties and sites, and the rights of the property owners whose interests are at stake. The designation of any property, district or site pursuant to this Subchapter shall be an overlay designation and shall not inhibit existing or potential uses permitted by this Title.

C. Historic Preservation Commission - Established

The Las Vegas Historic Preservation Commission (HPC) is hereby established. The principal role of the HPC is to act in an advisory capacity to the Planning Commission and the City Council in all matters concerning historic preservation. 6. One member must be experienced in Nevada history (such as an historian or archeologist).
7. Five members must be citizens at-large; provided, however, that when one or more areas have been designated as "Historic Districts" pursuant to this Subchapter, one of the "at-large" positions shall pertain to each such Historic District and shall be filled by a person who owns property and resides within the Historic District. If more than five Historic Districts have been designated as such pursuant to this Subchapter, the City Council shall determine which five of the Historic Districts are to be represented on the HPC.
8. The Director of Planning and Development, or the Director's designee, shall serve as an ex-officio member, with no vote except as otherwise provided in this Subchapter.
9. The Director of the Nevada State Museum and Historical Society, or other designee of the State Historic Preservation Office (SHPO), shall serve as an ex-officio member, with no vote except as otherwise provided in this Subchapter.

2. The Department of Planning and Development shall provide administrative and clerical support for the HPC.
3. Regular and special meetings of the HPC shall be held as set forth in the bylaws and as necessitated by the Commission's volume of business. If no meeting has been scheduled to occur within forty days after the Chairman has been notified by the Secretary of business requiring action by the HPC, the Chairman shall call a special meeting to be held within that period.

4. The HPC shall maintain written minutes and records sufficient to inform the public of its business, and shall report its business to the City Council as the Council from time to time may request.
5. Six members of the HPC constitute a quorum thereof for the purpose of conducting business. A majority vote of those present and voting shall be necessary to approve any item of business.
6. In the event that a quorum is not available for the conduct of business, an ex-officio member or the Historic Preservation Officer (or any combination thereof) may vote, but only concerning matters on the consent agenda and only to the extent necessary to create or maintain a quorum.

- g.** A recommendation by the HPC for approval of a designation under this Subchapter shall be void if the designation has not been approved by the City Council within one (1) year after the HPC's recommendation.
- 4. Public Notification Concerning Designation Applications:**

At least fifteen (15) calendar days before the HPC holds a public hearing on an application for designation, the Planning and Development Department shall:

 - a.** Mail written notice of the date, time and place of the hearing, along with a summary of the application, to the persons whose names and addresses are provided by the applicant pursuant to Subsection 3 of this Subchapter. Such notice is complete upon mailing. The HPC may delay a hearing for additional

- II. Design Guidelines generally will not regulate maximum building height, maximum lot coverage, minimum setbacks, required landscaping, required parking, allowable signs, or other development aspects addressed elsewhere in the Zoning Code, except when compatibility with existing historical patterns requires specific design guidelines.
 - III. Following designation of an Historic District, but before Design Guidelines can be established for the District, the HPC may require that development in the District conform to such established or recognized standards as the HPC deems appropriate.
7. Removal of designations established under this Subchapter shall be in accordance with the procedure set forth for designation.
 8. No nomination for designation or removal of designation under this Subchapter shall be acted upon within one year after any previous such nomination.

The Register, as it may be amended from time to time, shall serve as the official record of all such designations and shall be maintained by the HPO. Copies of the Register shall be made available for public inspection in the offices of the Planning and Development Department and the City Clerk.

K. Guidelines, Standards, and Process for Review of Alteration or New Construction

1. Whenever it is proposed to alter, remodel, build, or otherwise develop or landscape property that is designated as a Landmark or Historic Property, or that is located within a designated Historic District, and a building permit or other development or zoning permit is required for such work, the applicant must first obtain the approval of the HPC in accordance with this Subchapter. In the case of proposed work which, in the HPO's judgment, is minor in nature and impact, the HPO shall be the approval authority. Approval pursuant to this Section indicates conformance with the provisions and intent of this Subchapter only and does not constitute or imply approval by any City department or other approval authority having jurisdiction.
2. In order to obtain review pursuant to this Section, the applicant must submit to the HPO the following:
 - a. An application, on such form(s) as may be established for the purpose;
 - b. Such fee(s) as may be established by the City Council for the application;
 - c. Drawings, to approximate scale, of the site plan, floor plan(s) and elevations of the proposed work of improvement, indicating materials and color scheme;

- d. If signage is part of the proposed work, drawings, to approximate scale, showing the size and location of proposed signage, type of lettering to be used and indication of color and type of illumination, if any; and
 - e. Other information which the applicant deems appropriate or which the HPO may reasonably deem necessary in connection with the review of the application.
- 3. An application for review under this Section, when deemed complete, shall be acted upon within a reasonable period of time. In the case of an application to be considered by the HPC as the approval authority, the application shall be included on the next available agenda.
- 4. The approval authority shall consider the application with reference to the objectives of this Subchapter. The approval authority may deny an application upon determining any of the following:
 - a. That proposed work on any portion of a Landmark or Historic Property will not be compatible with the recognized distinctive character of the overall property.
 - b. That proposed work on any portion of a contributing property within an Historic District will not be compatible with the recognized distinctive character of the property itself, with the character of the entire District, or with the Design Guidelines that have been adopted for the District.
 - c. That major new construction proposed for non-contributing properties within an Historic District will not be compatible with the recognized distinctive character of the entire District or with the Design Guidelines that have been adopted for the District. For purposes of this Paragraph, new construction is "major" if such construction, including general landscape character, equals or exceeds twenty-five percent (25%) of the land area of a parcel without a building or of the building ground floor area of a parcel with a building, at the time of the property's identification as non-contributing.
 - d. That, in cases where Federal funds, in the form of grants, tax incentives or other programs, are to be employed, directly or indirectly, in financing the proposed work, the work will not comply with the Standards for the Treatment of Historic Properties, as promulgated by the U.S. Secretary of the Interior.
- 5. The approval authority may approve, conditionally approve or deny an application, or continue consideration thereof for further study. The HPO shall provide the applicant with notice of action taken, along with an explanation of any reasons therefor and conditions attached thereto.
- 6. An approval pursuant to this Section shall be valid for a period of one year, unless otherwise specified in the approval.

L. Demolition and Removal

- 1. Whenever it is proposed to demolish or remove a structure or feature constituting or associated with a Landmark or Historic Property, or one that is located within a designated Historic District, and a demolition or other permit or approval is required for

such work, the applicant must first obtain the approval of the HPC in accordance with this Subchapter. In the case of proposed work which, in the HPO's judgment, is minor in nature and impact, or is necessary immediately in order to protect life or property, the HPO shall be the approval authority. Approval pursuant to this Section indicates conformance with the provisions and intent of this Subchapter only and does not constitute or imply approval by any City department or other approval authority having jurisdiction.

2. In order to obtain review pursuant to this Section, the applicant must submit to the HPO the following:
 - a. An application, on such form(s) as may be established for the purpose;
 - b. Such fee(s) as may be established by the City Council for the application;
 - c. Photographs of the property depicting its current appearance;
 - d. A preliminary plan of redevelopment for the parcel indicating an intended use that is in compliance with the General Plan, existing or proposed zoning, other applicable regulations, and Section (K) of this Subchapter;
 - e. If economic hardship relief is requested, documentation in support of the request; and
 - f. Other information which the applicant deems appropriate or which the HPO may reasonably deem necessary in connection with the review of the application.
3. An application for review under this Section, when deemed complete, shall be acted upon within a reasonable period of time. In the case of an application to be considered by the HPC as the approval authority, the application shall be included on the next available agenda.
4. The approval authority shall consider the application with reference to the objectives of this Subchapter. The approval authority may deny an application upon determining either of the following:
 - a. That the structure or feature proposed for demolition or removal is of historic or architectural value or significance and contributes to the distinctive character of the property;
 - b. That loss of the structure or feature would adversely affect the integrity or diminish the distinctive character of an Historic District.
5. The approval authority may approve, conditionally approve or deny an application, or continue consideration thereof for further study. The HPO shall provide the applicant with notice of action taken, along with an explanation of any reasons therefor and conditions attached thereto.
6. Economic Hardship:
 - a. An application for demolition or removal may be accompanied by a request for economic hardship relief, which, if granted, allows demolition or removal which otherwise would not be permitted.

- b. Economic hardship relief may be granted by the approval authority as follows:
 - I. In the case of income producing property, when the applicant demonstrates that requiring the property to retain the features that contribute to its distinctive character, whether the property is left in its present condition or is rehabilitated by the owner or a potential buyer, will not permit the owner a reasonable rate of return.
 - II. In the case of non-income producing property, when the applicant demonstrates that the property has no reasonable use as a single-family dwelling or for an institutional use in its present condition, or if rehabilitated, either by the current owner or a potential buyer.
 - c. For purposes of Paragraph (b) above:
 - I. Non-income producing property consists of owner-occupied single-family dwellings and non-income producing institutional properties; and
 - II. Income producing property consists of all other properties.
 - d. Economic hardship relief is not available to an owner who has:
 - I. Engaged in willful or negligent acts destructive to the property;
 - II. Purchased the property for substantially more than the market value;
 - III. Failed to perform ordinary maintenance and repair; or
 - IV. Where applicable, failed to diligently solicit and retain tenants or provide normal tenant improvements.
7. An approval pursuant to this Section shall be valid for a period of one year, unless otherwise specified in the approval.
8. If an application for demolition or removal is denied by the HPC, the City may deny a permit for such activity for up to one hundred and eighty (180) days from the date on which the application was denied. It is unlawful to demolish or remove a structure or feature which is subject to this Section (L) without a permit to do so under this Subchapter and other applicable ordinances.
 - a. During the period of restraint on demolition or removal, the HPC and HPO will endeavor to secure whatever assistance may be feasible to effect the preservation of the property, including economic assistance, acquisition, purchase of a preservation easement; or location of a buyer who, upon purchase at terms agreeable to the owner, will enter into a preservation covenant with the City for a period of a least five (5) years.
 - b. If the HPC or HPO is unable to secure such assistance within the period of restraint, the proposed demolition or removal will be allowed, subject to the issuance of appropriate permits by the Building Official.
9. If the Building Official finds that a designated property is an imminent hazard to life or property and, after consultation with the HPO and the SHPO, determines that repairs

or relocation would not be appropriate or feasible, the HPO shall approve the necessary demolition or removal, subject to issuance of appropriate permits by the Building Official.

M. Appeal and Review

1. The applicant for an approval under Section (K) or Section (L) or this Subchapter may appeal any decision of the HPC to the City Council by filing written notice of appeal with the City Clerk within ten (10) working days after the date of the HPC's action. The appeal must be accompanied by the fee, if any, which has been established by the City Council.
2. In addition, with respect to any approval by the HPC of an application under Section (K) or Section (L) of this Subchapter, the Director of Planning and Development or any member of the City Council may file a request for review within that 10-day period.
3. The City Clerk shall set the date for a public hearing on the appeal or review, and notice of the hearing shall be published in a newspaper of general circulation at least seven (7) days before the hearing.

N. Maintenance and Repair

1. The owner is responsible for ordinary maintenance and repair of a designated property. Such maintenance and repair may be performed without specific approval from the HPO or the HPC if such maintenance or repair does not significantly alter the features which contribute to the distinctive character of such a designated property.
2. The owner of a designated property shall not permit the property to fall into a state of disrepair so as to result in the deterioration of any significant exterior feature which would have a detrimental effect on the distinctive character of the property itself or that of an Historic District in which the property is located.
3. Examples of deterioration which the owner of the designated property is responsible under this Section to prevent include, but are not limited to, the following:
 - a. Excessive erosion, reverse drainage, and other preventable site conditions which may adversely affect significant buildings and structures;
 - b. Loss of structural integrity due to deterioration of footings, load-bearing walls or columns, beams, trusses, or other support members;
 - c. Weathering or damage to exterior elements such as wall and roof surfaces, chimneys, balustrades, doors, windows, and other architectural features;
 - d. Loss of weather-tightness or security due to any of the above;
 - e. Deterioration resulting in a hazardous condition which would warrant demolition in the interest of public safety.
4. In order to avoid demolition necessitated by the failure to prevent any deterioration described in Subsection (3) of this Section, the City may effect repairs to a Landmark, Historic Property, or contributing property within an Historic District and assess the cost

of such repairs to the property in the same manner and with the same effect as is available for the abatement of nuisances in Section 9.04.080 et seq.

5. For purposes of evaluating deterioration under this Section, the condition of the property at the time of its designation shall be the standard of reference.
6. Enforcement of this Section shall be the responsibility of the City Manager or designee.

O. Incentives

It is the intent of the City that Landmarks, Historic Properties and properties within an Historic District be beneficial to their respective owners, as well as to the community. In addition to the intangible benefits of owning a property recognized as an important community resource, other potential benefits can be made available by the City. The HPO and the HPC are authorized, when possible and appropriate, to provide such owners with the following:

1. Assistance in locating potential sources of financial assistance and tax credits;
2. Assistance in preparing grant applications and seeking potential third party sponsorship;
3. Technical information and referrals;
4. Assistance in locating buyers and sellers;
5. Assistance, through the Neighborhood Services Department, in the formulation and operation of a neighborhood association;
6. Assistance in obtaining other benefits as may become available through the City or other sources.

P. Violations

1. It is unlawful for any person to construct, alter, demolish, remove or fail to maintain a structure, property or portion thereof in violation of this Subchapter.
2. In addition to and independent of a misdemeanor prosecution for violations under this Subchapter, the City may pursue any available civil remedy to enforce compliance.
3. In connection with any criminal prosecution or civil remedy, the person responsible for a violation may be required to restore a structure or property to its condition just previous to the violation.
